I used everything that I was learning from Stage School's First Year Performance Intensive with all of my teachers and took a lot in from what I learnt from the master class weeks. I truly didn't hold back for the preparation of my audition and achieved goals that I didn't think possible to achieve in such little time.

Student 2019

Diploma of Musical Theatre.

Following the success of our pilot programme “First Year Performance Intensive” in 2019, we are thrilled to announce our fully accredited Diploma of Musical Theatre CUA50213 to run in 2020.

THE PILOT PROGRAMME

First Year Performance Intensive ran in 2019, offering performing arts students the opportunity to combine studio based classes in dance, singing and acting, with the practical experience of rehearsing and performing plays and musicals to be presented in front of live audiences.

First Year students rehearsed two Broadway musicals (*Godspell* and *Seussical*), two plays (*Hating Alison Ashley* and *Conference of the Birds*), a Shakespearean comedy (*A Midsummer Night's Dream*) and a pantomime (*Chicken Licken*), with performance seasons throughout Melbourne and regional Victoria.

In addition, masterclasses with industry professionals allowed students to expand and consolidate their skill set.

The student development was dramatic, the concentrated rehearsal periods complementing studio classes for enhanced progression, with faculty and students all concluding the programme a wonderful success.

2020 AND BEYOND

Through our collaboration with Australian Teachers of Dancing, we are further developing this course to deliver a Diploma of Musical Theatre. This will give musical theatre students the opportunity to combine studio based classes and performance intensives, with more formal study units, resulting in a recognised Diploma qualification.
