"The first year performance intensive has helped me immensely. Without Stage School's one year course, I would not have been ready to audition for any of the larger universities. And without any of the dance training, vocal coaching and acting classes that I enjoyed so much, I would not have the honour of saying that I have been accepted into the Victorian College of the Arts. I am so thankful for this course and the amazing opportunity it created for me." Trinna, 2019 Performance Intensive graduate
